

Clinical Training Class for Providers & Nurses (CHCS, Essentris, AHLTA)

Skills Lab 1 (SL1) & Skills Lab 2 (SL2) - BLDG 4-2102 - (See map below). These two skills labs are located across from Sports USA on Longstreet (previously known as the Picerne building). Walking time is 5 to 8 minutes. If driving, from the Reilly Road entrance side of WAMC, turn left. At Longstreet, turn left. The building will be on your left. (If driving from the All American side of WAMC, turn right. At Longstreet, turn right. The building will be on your right).

Enter the building on the right through the glass door. Skills lab #1 (SL1) is located at the end of the hallway on the right. Skills lab #2 (SL2) is located at the end of the hallway on the left.

As a reminder, the basic pre-requisites for attending class are as follows:

- 1) Be on time. Late arrivals will be turned away
- 2) The user must bring WOMACK badge and CAC with Pin (or password) to class
- 3) The user must possess basic computer skills. Students with significant challenges will be referred back to their supervisor for tutoring and then asked to repeat the course.
